Miguel Bautista, Jr.

2011 FSA Graduate

Firefighter, EMT Intermediate

Miguel completed requirements for his FSA degree in December. He also holds an AAS in Fire Protection Technology from Portland Community College, received his EMT training from Clackamas Community College, and attended University of Oregon in the Army ROTC Program.

Currently working for Willamette Valley Fire and Rescue Authority as a QTOD worker, Miguel also holds a full time position with Pacificorp serving as Workforce Manager. His next goal is to be hired full time with a fire department. He hopes to become a fire officer one day.

Married and the father of a 4 year old daughter. Miguel himself is the oldest of five children; his parents immigrated from Mexico. Miguel is the first in his family to graduate from college. He is fluent in Spanish, English being his second language.

(Bautista, continued)

Miguel said that he learned much more from the FSA courses than he ever expected. He particularly liked FSA 307 (Emergency Service Delivery) as it helped him think outside the box. Like many FSA students, he found the math requirement challenging, but was able to successfully complete the EOU course Math 105, Loans and Lotteries.

He is very involved in service both at his workplace and in the community. He serves on the Oregon Fire Honor Guard, assisting at funerals for fallen firefighters. He also coordinates blood drives for the Red Cross, and organizes clothing drives for Portland Rescue Mission.

Miguel hopes to attend the June Commencement ceremony in La Grande. No doubt, he will be accompanied by some very proud family members! Congratulations, Miguel!

FSA Numbers

143 grades were entered for Fall term students in 10 FSA courses, including two hybrid (online and onsite) courses. This has been one of the best FSA terms ever! Thanks to students and instructors for your hard work!

14 new FSA students were admitted for Winter Term 2012, with 5 more already admitted for Spring term. New students: here are two links with helpful information on starting your courses: [1](#) [2](#)

New students, please E-mail us or call if you have questions about getting started!
