

Dear High School Art Student,

We are writing to let you know about the EOU Art Program's scholarship opportunity for graduating seniors interested in pursuing higher education in the field of art. This year we will be conducting a digital portfolio review of submitted student work and selecting several students from within our region to receive scholarships. Students who wish to be considered need to apply to EOU online at <https://www.applyweb.com/apply/eou/menu.html> and need to submit the following to the address listed below.

To have work reviewed students must send:

- ❑ 5-10 artworks in digital files (72 dpi Jpeg or Tiff files are preferred) on a CD or through email. (hard copy photos will also be accepted) Digital files should be labeled with the artist's last name and a number (example: jones.01.jpg, jones.02.jpg.....jones.10.jpg)
- ❑ A correspondingly numbered list of titles, media, size, and date
- ❑ A completed University Art Scholarship application form (see enclosed)
- ❑ One Page introductory letter addressing the student's artwork and future goals.

Mail submissions to:

Cory Peeke
