Nancy Knowles	Curriculum Approval and Discussion	Gateway Category Discussion: Proposal to move WR 222 and WR 320 from APC into the Gateway Category for General Education. WR 320 is a cross-disciplinary course intended to support students across disciplines. Both courses have outcomes similar to WR 121 and the SPCH courses are currently categorized as Gateway. The problem is the Gateway category is limited to 100-level courses. Propose to change the name of the category to “Intellectual and Practical Knowledge” and establish a connection to ULOs (University Learning Outcomes). Changing the title would allow WR 320 to be housed there. WR 222 will become WR 122 - approved by the Arts and Letters Division last term. Took it to Dean’s Council and tried to bring it to the CAS meeting, but time was an issue.	No action.
4:00 p.m.	Adjournment	Meeting was adjourned.
