

## Courses from the College of Arts and Sciences at EOU — Fall 2009 — More than the Core!

There are hundreds of courses offered by the faculty in the College of Arts & Sciences at EOU. We are “more than the core” with exciting opportunities for you to understand the world around you - whether exploring End Creek or working a pottery wheel. We live in a world that will require flexibility and problem solving as lifelong skills and your degree at EOU should include mind expanding experiences. So please explore the opportunities!

**Registration week begins on May 7<sup>th</sup>.**

**Divisional calendars of 2009-10 courses offered at EOU are online at <http://www.eou.edu/artsci/>**
