

**College of Arts and Sciences  
Certificate in Web Authoring  
Check Sheet**

The Web Authoring certificate provides students with the necessary skills to design, implement, and maintain complex interactive static and dynamic web sites. Students with these skills may be employed by an Internet Service Provider (ISP), local or other business requiring a web presence, or may choose to work as a consultant. Courses for the web authoring certificate are available on campus or via E-Luminate.

**Required Core Courses: (12 credits)**

<u>Prefix &amp; #</u>	<u>Title</u>	<u>Credits</u>	<u>Completed</u>
