

XIII. Amending

Section 1. Amending

The Assembly may amend this Constitution and the Bylaws by a two-thirds (2/3) majority of the membership voting in the election. The proposed amendment must have been presented at the previous meeting of the Assembly and must have been distributed to the members at least two (2) weeks of a regular academic term prior to voting. The election, by secret written ballot, must take place during a regular academic term and must be conducted over at least a three-day period.

Section 2. Housekeeping Clause

The Executive Committee may make corrections to this Constitution, insofar as such corrections do not seek to change policies or rules established in this Constitution. A report of all corrections must be given to the Assembly at the next regular meeting. If the Assembly feels that these corrections are out of the scope of the Executive Committee, a majority vote of the Assembly may override these corrections.
