## UNIVERSITY MISSION

EOU guides student inquiry through integrated, high quality liberal arts and professional programs that lead to responsible and reflective action in a diverse and interconnected world.

As an educational, cultural and scholarly center, EOU connects the rural regions of Oregon to a wider world. Our beautiful setting and small size enhance the personal attention our students receive, while partnerships with colleges, universities, agencies and communities add to the educational possibilities of our region and state.

## EDUCATIONAL PRINCIPLES

### -Education of the Whole Person-

EOU encourages students to develop as people through a variety of experiences, including academics, co-curricular activities, and the four cornerstones of research, community service, internships or mentoring, and international or intercultural experiences.

### -Liberal Arts for Lifelong Learning-

Through the rich legacy of the liberal arts, EOU challenges students to become critical, creative thinkers and engaged, knowledgeable citizens, open to new ways of looking at, and living within, the world.

### -Teacher Education for a New Time-

EOU continues its founding heritage by preparing teachers who are academically competent, socially and culturally sensitive, personally capable and professionally accomplished, in order to facilitate learning in 21st century schools.

### -Preparation for the Changing World of Work-

EOU's programs in business, education and the liberal arts, and its partnerships in fields such as the agricultural sciences and nursing, allow students to gain the knowledge and skills needed to succeed as ethical professionals in a global economy.

### -The Value of Diversity-

EOU helps its students, faculty, and staff, live and work as problem solvers committed to social justice and to creating communities that value equally the contributions of people of all races, genders, sexual orientations, classes and cultures.

### -Access to Quality-

EOU's commitment to quality extends beyond its campus. As an innovative leader in distance and online education, EOU helps students throughout Oregon and beyond enhance their lives through education.

### -A Climate of Support-

EOU supports students in their learning and supports its

faculty and staff in their collective work of educating students and contributing to the cultural and scholarly heritage of our region and world.

## ACADEMIC DEGREES AND PROGRAMS

Academic programs at Eastern Oregon University are offered through the College of Arts and Sciences and the College of Education and Business. In addition, programs in Agriculture, in cooperation with Oregon State University, and the baccalaureate degree in Nursing through the Oregon Health Sciences University, and the Engineering Program offered through Portland State University are offered on this campus.
