

Checking Registration Status

After you register using Webster, you may check your Webster account to determine that registration was completed successfully.

1. Login in to Webster, using your Student ID as your User ID number and the PIN that you assigned yourself (for first time users, your PIN will be your birthday in the order of YYMMDD).
2. Select "Student Services"
3. Select "Registration"
4. Select "Student Schedule by Day and Time"
5. The classes that you have registered for should be displayed by Day and Time
