

MAT Extended Campus Cohort Groups

Elementary (includes ECE and elementary) or Secondary (includes Middle Level and High School)

In both cohorts, classes are taught through a combination of on-campus classes in La Grande and web-based technology. On-campus classes are held during three sessions in fall term and three sessions in winter term. Each session is five days long and is scheduled Monday - Friday.

Placements are made throughout eastern and central Oregon in, or near, each student's home community, if possible. For specific details, please refer to the "Placement Request Form" contained in the MAT admission application packet.
