FACT SHEET

Summer Agriculture Institute (SAI) is a **3-credit, week long, graduate level course** for K12 educators with little or no agricultural background, offered through *Oregon State University*.

The goal of SAI is to help educators use Agriculture as a context (or theme) for teaching the Academic Standards (science, math, social studies, English, etc.). Additionally, educators will receive hands on instruction and collateral materials to incorporate agriculture into their classroom curriculum. SAI provides a working environment for participants to experience current, factual, scientific information about agriculture.

Key Topics: Land and Water Usage Ag Marketing and Economics
Ag Education Applications Hydroponics Food Safety
Food Safety Commercial Farming

Benefits: Receive **3 graduate level credits from OSU** for a fraction of the cost; high quality, accredited collateral materials provided; first-hand experience interacting with agriculture through tours of processing plants, farms, nurseries and agribusiness operations; opportunities to meet and work with agriculturists; hotel accommodations, meals and networking opportunities.

Requirements: Onsite participation (5 nights and 6 days) for all SAI candidates; an overnight stay with a host farm family (1 of the 5 nights); \$500.00 registration fee payable to OAEF (Non-Refundable after April 1st); develop a comprehensive lesson plan utilizing knowledge gained as a SAI participant.

SAI History: Inception in 1989; the program was adopted by OAEF in 1991; funding provided by private, commodity, organizational and agribusinesses.

Contact Information: For SAI Applications and/or SAI Presentation Requests, please contact project coordinators directly.
