

MTE Program Student Self-Evaluation of "A" Placement

Student _____

Date _____

Cooperating Teacher _____

School _____

Grade Level/Subject Area _____

***This form must be completed
and submitted to the College
of Education by the end of
September.***

Please respond to the following statements. If this form does not provide enough space for you to adequately answer each item, please attach a separate sheet to this form.

1. Briefly state how you participated in the classroom during the past few weeks.
(With which activities were you involved? What responsibilities did you assume? etc.)
2. State specific reasons why you envision yourself as a teacher.
3. List several characteristics you observed and learned about the pupils.
4. List specific discipline methods or techniques you observed or attempted.
5. Rate your placement based on a scale of **0** (lowest) through **5** (highest). Substantiate your rating, and list any disadvantages you encountered.
