Request for New General Education Course

Please Note: The EPCC will consider new and existing course changes at any of its regularly scheduled meetings. Documentation must be submitted at least one calendar week prior to EPCC discussion.

Form Instructions:

Please complete this form and forward as an electronic attachment to the appropriate persons for their Approval/Denial in the order indicated below. Once approval is received from the College Dean make **3 copies of signed form** and forward the original with copies to the office of Undergraduate Studies. Please note that form fields will expand to accommodate your needs.

Submitted by: Office of Undergraduate Studies	Date: April 30, 2007
Program Offering Course: Honors Course Title & No.: HONR 301 Controversies of Contemporary Society (3 cr)	
Proposed catalog description as it will appear in the catalog: See Attached Syllabus for the New Courses:	
Course to be offered under General Education Category: CO	Is this course being considered for inclusion in the former General Education program? Yes <input type="radio"/> No <input checked="" type="radio"/>
Describe how this course meets the expectations for General Education (this information must be included in the syllabus): <ol style="list-style-type: none">1. A brief statement regarding how the course meets the mission of general education. This course meets the GE mission because of its focus on interdisciplinarity. Students will be required to find interdisciplinary connections in the course material.2. Identify which components of the general education requirements will be met by completion of this course. This course will meet the following CO outcomes: Ability to communicate effectively by means of active listening, public speaking, collaborating, analytical reading and academic writing in the diverse situations encountered as educated citizens; and the ability to communicate effectively using appropriate symbolic technological systems.3. Identify the specific general education outcomes that the course will address and describe how the course will assess these outcomes in relation to student achievement. Because this course will be taught by a variety of instructors, the particular means of assessment will be determined by the instructor of record. Some possible means of assessment are as follows: - Oral presentation defending a particular point of view related to the course's theme - Construction of a formal proposal which advocates a particular research agenda or course of action - Visit to a historically significant place related to the course's theme, and the subsequent composition of an essay reflecting on the experience	Provide the category being proposed for inclusion in the former General Education program. Humanities Social Science Natural Science Arts, Language, and Logic
Expected Implementation Date: <u>Fall 2007</u>	

Additional Costs (Please itemize)
