Annual Fund

The Annual Fund Drive is critical to the operations of the University and the Foundation. These unrestricted gifts are used where the needs are greatest, as determined by the Foundation Executive Committee. In addition, the Annual Fund supports Foundation operations and the Alumni and Develop programs at EOU.

The chart to the right shows a 10-year history of funds raised through the Annual Fund.

1994	\$19,625	2000	\$51,982
1995	\$22,699	2001	\$56,192

Donors

The work of the EOU Foundation is predicated on gifts from individuals who wish to give back to the university and help students achieve their education. The total number of donors for each of the last 10 years is listed below. Individual recognition of donors can be found on the following pages.

Year	Donors	Year	Donors
1994	593	2000	1,008
1995	404	2001	774
1996	361	2002	673
1997	587	2003	449
1998	774	2004	496
1999	972		

President's Club

This Club identifies the Foundation's premier group of donors - those who play a leadership role in the creation of the Eastern Oregon University's future.

The President's Club, created in 1998, recognizes donors who make annual gifts of \$1000 or more. To become a Charter Member of the President's Club, the donor must pledge to make such a gift for five years. A gift for any purpose may be counted,

although we hope that many donors will choose to make unrestricted gifts.

The President's Club members fall into three categories: Founder's Circle for those who give \$10,000 or more in a single year; Trustee's Circle for those who give \$5,000 to \$9,999 in a single year; and Dean's Circle for those who give \$1,000 to \$4,999 in a single year.
