

Eastern Oregon University's **"EOU Alert"** Emergency Notification System enables the University to send you alerts in emergency situations. To receive e-mail, text and/or voice notifications, please complete the form at right to help us connect with you in the event of a University emergency or campus closure. Update your **"Cell Phone"** number and **"Campus Emergency Notification"** e-mail address, (your assigned EOU e-mail), where you are most likely to be reached. EOU will use this information **ONLY** in the event of an emergency and to periodically test the system. Please complete this form and return to Human Resources in Inlow Hall, Room 209.
