

Desktop & Laptop Computer Recommendations for Students, Staff and Faculty

Recommended Specifications – Windows Based Systems

- Intel Dual Core Processor 2.66 GHz or higher
 - 4GB RAM or higher (Memory)
 - 160GB Hard Drive (SATA Drive Preferred)
- Dual Layer DVD-RW Burner (Will also burn CD's)
 - 256MB Integrated Video Card
 - Integrated Sound Card
- Integrated Ethernet (For high-speed internet connections)
- Wireless Card (If using wireless services, especially when purchasing a laptop)
 - 19" LCD Monitor or larger (Flat Panel)
- Windows XP Professional Operating System or higher
 - 3 year warranty or more

Many companies offer online purchasing for you to configure with your own specifications.

Be sure to look at regular, sale, and education prices as a staff, faculty or student of EOU.

Here are a few options to get you started.

Dell Computers
