

Use, Security Sensitive Personnel and Account Policies

(OAR 580-055-0050-3B,C,D)

The purpose of this section is to outline existing EOU end user policies which conform to, and fulfill EOUs obligations under, the OUS Information Security Policy.

Acceptable Use Policy (AUP):

EOU maintains this official and current copy residing at www.eou.edu/aup.html . As stated in the AUP, “only registered students, alumni, faculty, staff and retirees of Eastern Oregon University, within the parameters outlined in this policy, may use computer access accounts.”

Security Sensitive Personnel:

EOU may require a criminal background checks for Security Sensitive Personnel working in critical areas in compliance with Oregon Administrative Rules.

Account Management:

EOU creates system accounts for general access to EOU centralized resources. These accounts are generated and disabled programmatically based on information stored in the Student and Human Resources Information Systems about current status as employee or student. Accounts are authorized and revoked in accordance with parameters set by the appropriate Data Steward.
