 Society, Richland Section

Using education to bring health professionals to rural Oregon.

NORTHEAST OREGON AHEC

Girls In Science

October 24, 2009

Environmental Mystery...

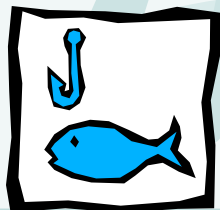

- ◆ The fish in a nearby stream are dying. What is the cause?
- ◆ What can we do about it?
- ◆ The investigation will include:
 - Water analysis
 - Chemistry
 - Biology
 - Archeology
 - Computer technology
 - And much more....

What to Expect...

- ◆ A day full of science exploration
- ◆ Make new friends
- ◆ Experience state-of-the-art science labs

Who Should Attend?

- ◆ 6th - 8th Grade Girls interested in science and excitement!!

Important Information

Date: October 24, 2009

Time: 8:30 a.m. - 4:00 p.m.

Registration Fee: \$5.00

Included: All materials, lunch, t-shirt

Preference: Given to students in these 13 eastern Oregon counties: Baker, Gilliam, Grant, Harney, Hood River, Malheur, Morrow, Sherman, Umatilla, Union, Wallowa, Wasco, and Wheeler.

Pre-registration Required:

Registration forms must be received by October 2, 2009. The \$5 registration fee must accompany the registration form. If payment doesn't accompany registration, registrant will be placed on a waiting list until receipt of payment. **There are 100 available spots for this event. Registration is on a first come, first serve basis. Available spots typically fill before the deadline!**

****No refund for cancellations after October 16, 2009.**

****A maximum of 10 registrations will be accepted per school.**

For more information contact:

bhines@eou.edu

NOTICE:

1. Due to lab space restrictions, parents and chaperones are **NOT** allowed to follow students throughout the day. We request that parents depart after registration and return for the closing ceremonies.
2. After registration, parents are invited to attend an EOU campus tour from 9:00 - 10:00 a.m. to learn about opportunities at the university.
3. Students are **NOT** allowed to use cell phones during the event. Violators' phones will be confiscated and returned at the end of the day.

National Recognition

For six consecutive years, **Girls in Science** events have each been awarded the American Chemical Society's **ChemLuminary Award** for "Outstanding Outreach to Girls and Young Women" by the Women Chemists Committee of the American Chemical Society.
