4. When traveling as a clinical group, please use a “phone tree” to let other students know about the weather conditions.
5. If the Clinical Instructor cannot travel she/he will contact the students.

Class Cancellation: OHSU courses in La Grande will be cancelled in the event that the EOU campus is closed. Call 541-962-3844 to check the status at EOU.

As Always, Safety and good Judgment are important. Instructors will make appropriate assignments to “make up” class or clinical time due to weather.
