Notes:	A goodie bag (pens, EOU bag & information & ect.) to get the kid excited about attending
	Once we had already toured to come to EOU, we were really only wanting to see the dorm again (not full tour). Many People wanted to talk with financial aid people so we had to wait since they were at lunch during our afternoon time 1-4 time. Everyone was exceptionally friendly & helpful.. Thank you
	Very well planned - great speaker. Even faculty member extremely friendly, welcoming and helpful
	Advisers were very helpful
	Tours need to be better. They are too short and don't give good impression of the school

Notes:	We were very impressed7 are very happy wit our son decision to attend EOU
	Noticed the tour this time was not as informative as the last we had in 8/07 - You have a lot of great thing here to brag on!
	Just didn't know where to get photo I.D. Very friendly and helpful.. Thank you!!
	Very friendly Staff. Willing to answer questions and/or direct us to someone who could
	No, everything went smoothly
	Set up appointments for Financial Aid same day would be awsome!!

Notes:	Great Job! Thank You!
	Still the stuff before meeting with the advisers should be optional depending on if you went to the preview days or not because you say the same things.
	More detailed informations needed on dorms and food service choice.
	I really enjoyed the program!
	I just love how you truly value/care about each student
	Information sharing is very good - Heather and Stacey did a very good job & were very friendly. I believe my granddaughters will have a good experience here and a great education to prepare her.
	More info on first time parents about Financial Aid- go thru the process of what we would expect
	Didn't have daughter packet ready at check-in

Notes:	Lisa gave a very informative campus tour
	I think SOAR day should be shorter and better lunches, also more activities with actual students to help make things more comfortable
	Maybe a 10:00 start time for the crazy people that drive from Portland
	Actual 1 on 1 advising and registration and/or all day tours
	Would have preferred individual advising
	Met expectations except, shcedule said one on one, NOT one adviser with six students that took 2 1/2 hours with three students still working
	Nicely done! Very friendly! Helpful
	Originally sent to wrong advisor/session. Adviser had to fit us into his booked schedule
	1 on 1 advising sessions or have tours all day
