

RefWorks and EBSCO Database Citations

- Log into RefWorks (trial: sporter323, bbop323 at www.refworks.com)
- Same search and export procedure as with *Endnote*

The screenshot shows the EBSCO Research Databases interface. At the top, there are navigation links: Sign In, Folder, Preferences, New Features!, Ask-A-Librarian, and Help. Below these are search options: Basic Search, Advanced Search, Visual Search, and Choose Databases. A 'Return to Pierce Library' link is also present. The main navigation bar includes 'New Search' and tabs for Keyword, Publications, Subject Terms, Cited References, Library Holdings, Indexes, and Images. A Language dropdown menu is on the right. Below the navigation bar is the 'Export Manager' section, which includes a 'Back' link and 'Save' and 'E-mail' buttons. The 'Number of items to be saved: 1' is displayed. A 'Save' button is visible. The 'Save citations to a file formatted for:' section has three radio button options: 'Direct Export to RefWorks' (selected), 'Direct Export to EndNote, ProCite, or Reference Manager', and 'Generic bibliographic management software'. At the bottom of the screenshot, there are links for 'Top of Page' and 'EBSCO Support Site'.

- View in *Refworks* after exporting

The screenshot shows the RefWorks interface. At the top, there is a 'Welcome, Sharon Porter.' message with links for 'Log out', 'Individual User', and 'Subscription'. The main navigation bar includes 'References', 'Search', 'View', 'Folders', 'Bibliography', 'Tools', and 'Help'. A search box for 'Search RefWorks' with a 'Go' button is on the right. Below the navigation bar is the 'Import from ebSCO' section, which includes a 'Back to Reference List' link. The status message reads 'Importing references, please wait...' followed by an asterisk and 'Import completed - 1 reference imported'. Below this message are two buttons: 'View Last Imported Folder' and 'View Log'.

- View Bibliography tab for formatting style choices
