

# Master of Science in Education with Literacy Concentration

EASTERN OREGON  
UNIVERSITY

## GRADUATE PROGRAM CHECK SHEET

### Program Requirements:

36 graded credit hours are required for the Master of Science in Education – Literacy Concentration.

A minimum grade of “C” is required in all courses counting toward the degree and a cumulative GPA of at least a 3.00 is required to complete the degree.

All courses need to be taken within 10 years of degree completion

Upon approval of the program coordinator a maximum of 12 credits may be transferred from another institution into the Master of Science program and counted toward either the concentration or electives.

Admission into the MS in Education program is required for this concentration.
