EASTERN OREGON UNIVERSITY- FOREIGN ALIEN/ ENTITY OR RESIDENT ALIEN

FOREIGN ALIEN OR ENTITY

Eastern Oregon University is now requiring a W-8 form for all foreign aliens/entities being paid for a service, copyrights, permissions and royalties performed in the United States to conform to IRS regulations. A faxed or emailed copy is not acceptable. The IRS requires Eastern Oregon University to obtain an original completed, signed and dated W-8 form prior to issuing payment. There are four different types of W-8 forms. The Foreign Alien/Entity will need to determine which type of form applies to them; they will need to fill out the appropriate form; and they will need to mail the form to the address below:

The links for the W-8 forms are as follows- (the entity type will determine which form to complete)

US RESIDENT ALIEN

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "savings clause." Exceptions specified in the savings clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the savings clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement that specifies the following five items:

- 1. The treaty country—generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
- 2. The treaty article addressing the income.
- 3. The article number (or location) in the tax treaty that contains the savings clause and its exceptions.
- 4. The type and amount of income that qualifies for the exemption from tax.
- Sufficient fact to justify the exemption from the tax under the terms of the treaty article.

Example: Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S. China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on the exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requestor the appropriate completed Form W-8.
