**Up to \$12,500 Savings on the first year of college tuition.  
UP to 45 Credits towards your Degree.**

## General Transfer Module

1. **What does HS Diploma requirement mean?** The Essential Skills that students should be developing throughout grades K- 12. The requirements come from the state of Oregon and your district may have additional requirements.
2. **What is a pre-requisite?** A pre-requisite needs to be taken and passed before the class stated can be attempted.
3. **On Campus or Online?** If you see on campus on the MAP you will be able to take the course on the EOU campus. If you see online, no matter where you are you will be able to take the course online specifically from Eastern Oregon University.
4. **The middle list of courses; how are they different?** The middle courses are courses that you can take directly at our campus or online from EOU. This will allow a student to take classes while still in high school so they still have as much of the home and school support they are used to with additional academic supports from Eastern.
5. **When I see OR what does it mean?** Make sure that you pay attention to the **OR** if you see it. That means you have some choices to make. You will not need to take both courses or both locations. Complete which one fits your goals best.
6. **Major Checklist 100-200?** While you most likely will still need other general education requirements, this will give you an idea of what is expected in your specific major.
7. **What is a UWR?** If you see the letters UWR it is a University Writing Requirement. Each field has them in their major. Plan on a lot of writing in the course.
8. **What does satisfies SMI or AEH Gen Education Credit mean?** The General Education Core (GEC) provides opportunities for students to become reflective, responsible citizens who see multiple points of view. The 60 credit GEC curriculum serves the diverse student body of Eastern Oregon University by helping students to integrate into university life and challenging them to become critical, creative thinkers and engaged, knowledgeable citizens, open to new ways of looking at the world. The SMI, SSC, AEH, APC, and GTW are categories in the general education expectations. If you see them on your MAP, that means that the course would count toward a General Education class that you already need no matter what major you are choosing.
9. **What is a college level requirement?** Each student is required to pass first-year writing courses. This course is WR 121 at EOU. College level math can be through multiple 100 and 200 level courses such as MATH 105, MATH 111, (for educators MATH 211, 212, 213) or Stats 243 or (243a and 243b for online). Pay attention to what your major needs you to complete.
