Eastern Oregon University Early Admission Promise

High School students who successfully complete 10 or more credits through the Eastern Promise Credit By Proficiency model with a grade of “C” or better in all 10 credits will be eligible for EARLY ADMISSION to Eastern Oregon University. To receive this admission status the student must:

1. Submit an Eastern Oregon University/Eastern Promise application form that is available on the Eastern Promise website. Download the form, complete the form, and send it to EOU Admissions. www.eou.edu/eastern-promise
2. Submit your official college course transcripts to the EOU Admissions Office that shows your successful completion of 10 or more college credits through the Eastern Promise Credit By Proficiency model, or Summer Institute.
3. Upon graduation from high school, submit your official final transcripts to EOU.

Additionally – all students who receive early admission will need to take the ACCUPLACER test unless they have successfully completed MATH 111 College Algebra and Writing 121 Expository Prose Writing as a part of their accelerated college coursework.

No SAT or ACT scores are required. HOWEVER, if you plan to apply for scholarships of any kind through EOU you will need to submit SAT or ACT scores.

Though not required, it is highly recommended that students earning the Early Admission status at EOU follow the entering freshman standards while completing high school:

- **English (4 units)** - Shall include the study of the English language, literature, speaking and listening, and writing, with an emphasis on, and frequent practice in, writing expository prose all four years.
- **Math (3 units)** - Shall include first-year algebra and two additional years of college preparatory mathematics selected from geometry (deductive or descriptive), advanced topics in algebra, analytical geometry, finite mathematics, advanced applications, calculus, probability and statistics, or courses that integrate topics from two or more of these areas. (One unit is highly recommended in the senior year. Algebra and geometry taken prior to the ninth grade will be accepted.)
- **Science (3 units)** - Shall include a year each in two fields of college preparatory science such as biology, chemistry, physics, or earth and physical science, one recommended as a laboratory science.
- **Social Studies (3 units)** - Shall include one year of U.S. history, one year of global studies (world history, geography, etc.), and one year of social studies elective (government is strongly recommended).
- **Second Language (2 units)** - Two years of the same high school-level second language, or a C- or above in the third year of a high school second language, or two terms of a college-level language with a grade of C- or above, or satisfactory performance on an approved assessment of second language knowledge and/or proficiency. Demonstrated proficiency in American Sign Language (ASL) is acceptable in meeting the second language requirement.
- A cumulative GPA achieved in high school of at least 2.75.
