

# Eastern Oregon University Chemistry Club PPE Sales

## Goggle Sales

Every fall Eastern Oregon University Chemistry Club sells eyewear for student labs.

### How to purchase

Goggles will be for sale at the first lab session of the year for students in lower-division chemistry classes. If you are not a lower-division student or cannot purchase at the time, alternate purchase times can be arranged by contacting the chemistry club directly.

### Goggle specs

Two goggle styles are available, one to be worn over eyeglasses, the other standard fit. Both have anti-fog, anti-scratch coatings on the lens. They have adjustable side arms with duoflex cushioning for a comfortable fit. The frame is of nylon material while the lens is polycarbonate.

### Cost & Contact

Goggles cost \$15.00 cash or check is accepted
