

Child Care Provider Statement

The Child Care form will allow the financial aid office to increase a student's cost of attendance by the amount spent on child care each month while attending EOU. A student's cost of attendance establishes the limit of qualified financial aid the student can receive during an award year. It does not however, guarantee that you will be eligible for additional financial aid. You may wish to contact the financial aid office to verify if you would be eligible for any more financial aid with this adjustment.

Instructions: Please complete and submit this form to the Financial Aid Office. If you are receiving day care assistance from any other source be sure to list that below.
