

UNIVERSITY SCHOLAR AWARD

ELIGIBILITY CRITERIA:

University Scholar Awards are offered to incoming freshmen based on their high school GPA and the timing of their admission to EOU. No SAT/ACT scores are required for this award.

Priority awarding is given to students admitted by February 1st, who will be attending the following fall term. There is no application needed for this award. Students will be automatically offered this award based on their high school GPA at the time of admission to EOU.

University Scholar Awards Beginning the 2021-22 academic year

GPA 3.85 +	GPA 3.70 – 3.84	GPA 3.0 – 3.69
\$3,000	\$2,000	\$1,000

RENEWAL CRITERIA:

The University Scholar award is renewable for up to 12 terms (4-year equivalency). To maintain eligibility for this award, students must maintain a cumulative 3.0 GPA and complete 45-credit hours at EOU, per regular academic year (fall, winter, and spring terms). The Financial Aid Office will monitor academic progress and determine eligibility to renew, after spring term of each year.

The University Scholar Award cannot be awarded simultaneously with the Transfer & Continuing Student Success Award, or the University Achievement Award, as these are partner programs. If a student is receiving other Institutional Awards, their total institutional aid cannot exceed the cost of their total tuition. **Consortium or dual-enrolled students will only receive credit for the credits they are taking at Eastern Oregon University.*

REQUIREMENTS TO RECEIVE FUNDS:

To guarantee receipt of these funds, the student must accept the award offer no later than 30 days after the postmark. All awards not accepted within this timeframe, will be forfeit and the funds will be reallocated to other eligible candidates.

Awards are based on full-time enrollment and will not be paid if students are registered for less than full-time (12 credit hours per term). Study abroad programs do not count as credits registered with EOU.

One-third of these award funds will be released directly into the student account each term and will apply toward tuition.
