

## BLAINE SHAW

**HOMETOWN:** La Grande, OR  
**STUDYING:** Psychology,  
Anthropology/Sociology,  
and Business Administration

Receiving an athletic scholarship from Eastern Oregon University has given me the opportunity to continue my athletic career while I work toward my educational goals. This scholarship has given me the freedom to focus on my

academics and athletics to become the best student-athlete I can be. After graduating, I plan to pursue a career in law enforcement and become a special agent at the Federal Bureau of Investigations. I plan to return to La Grande and EOU in order to give back to the community that has given me so much.

## ADYSON HARRIS-SHAW

**HOMETOWN:** Parma, ID  
**STUDYING:** Master of Arts in  
Teaching

I'm grateful to EOU and the community for supporting and providing for me in the form of financial aid. Scholarships have given me the best of both worlds. They allow me to prioritize my education, while also giving me

the opportunity to play the sport I love. This year I started the MAT Program and entered my fourth year of basketball with no financial stress. I would not be where I am today without these scholarships. I will be forever grateful!

## MARIO LANDEROS

**HOMETOWN:** Corona, CA  
**STUDYING:** Computer Science

Having the Athletic scholarship has granted me the opportunity to pursue my degree and continue the sport I've grown up playing. I am thankful for the opportunity Eastern Oregon University has provided me with an effort to

reach my goals. With my degree I am hoping to go into software development or even coaching baseball in efforts to pass my knowledge to the next generation.
