Place for notes/explanations

60 credits are required for our General education courses. There must be at least 6 credits in each of the 4 categories and no more than 20 credits in each category.

Any CLEP/DANTES tests taken can reduce the amount of overall credits required to complete the degree.

All credits from the CCAF will be accepted by EOU. 52 of the CCAF credits will be applicable to the BADM degree and the remaining will count towards the 90 credits needed outside of Business.

Depending on course work transferred in, from the CCAF and other institutions, the total number of required credits could be less.
