JOSEPH BRANCH LINE RAIL WITH TRAIL CONCEPT: The Wallowa Union Railroad Authority (WURA) has requested Eastern Oregon University and Oregon Parks and Recreation Department to evaluate the feasibility of locating a trail within the Joseph Branch rail corridor. This public planning process will result in the preparation of a report and recommendations for WURA's consideration of the Rail with Trail Concept. For more information, please view the project website at <https://www.eou.edu/rails-with-trails/>.

AMERICANS WITH DISABILITIES ACT: These public workshops intend to comply with the A.D.A. If you are disabled or physically challenged and need special accommodations to participate, please inform one of the meeting hosts.
