

# THE EASTERN EDGE

ELEMENTARY EDUCATION ON-SITE AT  
MT. HOOD COMMUNITY COLLEGE

"Eastern Oregon University's Gresham Campus was a great experience for my last 2 years of my undergraduate degree. I received a lot of classroom, hands-on experience, along with great

mentors. I highly recommend anyone in the area to check out Eastern as an option for Elementary Education. The program is local to the Gresham/Portland region, and they are affordable, and experts at teaching teachers to teach little ones."
