

EASTERN OREGON UNIVERSITY

Psychology

Your degree, your way

Psychology promotes exploring human behavior. In our program, students are introduced to the understanding of behavior and the foundations of psychology as a scientific discipline.

Our field spans a broad variety of interests, including human development, learning and memory, thinking, sensory perception, psychological disorders and social interaction. Prepare for admission into graduate schools or entry-level positions in human and social services, schools or rehabilitation centers.

“The EOU Psychology program helped prepare me for my current job. It provided me with the ability to communicate effectively, manage my time, conduct independent research and the tools necessary to bridge the gap between adults and youth in the community.”

Christina Chestnut, '13
